SIR,

VEHICLES FOR A.R.P. AT MYSORE.

I have the honour to state that one van is urgently required by the A.R.P. Controller, Mysore City for hauling a Trailer Pump since received. A Pontaic Van bearing No. BAN 1796 owned by one Mr. W.F. Dennis Smither is available for sale. The same was inspected by the A.R.P. Officer, Bangalore City and my Head Quarter Assistant, and they find that the vehicle is in a very good condition and the price offered by him i.e., Rs.1250/- can well with advantage be paid. As it is very difficult to get such vehicles, I request that early orders are issued to purchase the same, the cost being met out of the lumpsum grant placed at the disposal of the A.R.P. Controller, Mysore City.

I have the honour to be,

Sir,

Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

Letter No.E.T.424 dated 21st August 1942, from the A.R.P. Officer Controller, Mysore City, to the Inspector-General of Police in Mysore, Bangalore.

A.R.P.Ambulance van.

There are two lorries at present which were got from the Public Works Department for A.R.P.works. Out of these two lorries, one is proposed to be converted into ambulance van and the other for demolition and rescue work. The lorry intended for ambulance work is to be made suitable for taking at least four casualties at a time with attenders. I am enclosing herewith therefore, an estimate for the same for Rs.800. In this estimate there is provision for purchase of iron materials, planks and other wooden materials and also good canvas to serve as cover over the lorry. As good canvas was not available locally, I have placed orders for 450 sq.ft. of canvas with Messrs.Harley & Co., Post Box No. 307 Calcutta, who supplied canvas to the ambulance lorries at Bangalore, at Rs.2-5-0 per sq.yard. The estimate and the above purchase may kindly be approved. Other materials required for the van were purchased locally and a contractor was entrusted with the work of fitting the ambulance van.

Date 3rd November 1942.

No. KRP 370/42-43
Encls. one

To
His Highness Nawab Sir Mothamed-ul-Mulk
Gulam Mohiyuddin Mehkri, Esq.,B.A.,LL.B.,
Chief Secretary to the Govt.of Mysore,Bangalore.

Sir,

I have the honour to state that one Trailer Pump has been kept for use at Mysore for fire fighting. The A.R.P.Controller, Mysore, has sent in a requisition for a vehicle to have the Trailer Pump. As no lorries are available at present, one Dodge Seven Seater Car, 1936 Model, is available for sale with Messrs Addison and Co., for Rs.1600/-. The car has done only about 20,000 miles and is in good running order. As the car is one of seven seater, hose pipes and other equipment can also be kept inside easily. As such vehicles of long wheel base are not easily available and a number of vehicles are required for having the trailer pumps which have just arrived, I request you to kindly obtain Government sanction for the purchase of this vehicle for Rs.1,600/- to be used for the Trailer Pump at Mysore.

Copies of the letter received from the A.R.P.Controller, Mysore, is enclosed herewith for favour of perusal.

I have the honour to be,
Sir,
Your most obedient servant,

M Deekadas

Inspector-General of Police.

Letter No.A.R.P.T.408 dated 23-10-1942, from the A.R.P. Controller, Mysore City, to the Inspector General of Police in Mysore, Bangalore.

In the note I sent you under cover of my letter No.A.R.P.T.397 dated 18th October 1942, regarding the requirements of Ambulances etc., for Mysore City, I regret I have made a small mistake. The Ambulances required as per Government of India Scale is 1 per 2 First Aid Parties and not 3 as stated in line 2 of para 1 of the note. At this rate we will require 15 ambulances. If the Palace, Krishnarajendra Mills, Sandal Oil Factory, Silk Factory and Railway Workshop and Water Supply Department provide their own ambulances we will have to have 9 more ambulances. Out of this we have got one in the Krishnarajendra Hospital and one lorry given by the P.W.D. has been converted into an ambulance and we are going to convert the recently purchased Van for hauling the Trailer into an ambulance. This will leave 6 more to be purchased. I have proposed that for the present 2 more ambulances may be got and I think this would be enough for the time being.

Letter No.A.R.P.T.429 dated 31-10-1942, from the A.R.P. Controller, Mysore, to the A.R.P. Officer, Bangalore City.

Adverting to your D.O. letter No.A.R.P.370/42-43 dated 26th October 1942, I wish to state that as we propose to convert the Car which we purchased for the A.R.P. Trailer pump into an ambulance Van another Car is required for hauling the Trailer pump. As per Government Order No.P.1615-19/Pol.48-42-2 dated the 4th September 1942, the Trailer Pump with its equipment will have to go to the Provincial Reserve Police and the purchase of a Car for the above purpose will therefore be a matter on which orders of the Inspector-General of Police would be required. Personally I feel that the Dodge Car will be very suitable since we can remodel it so that it may take all men also required for operating the Trailer Pump. I would therefore suggest that you may please obtain orders of the Inspector-General of Police in the matter.
